

Quiltesk on Tour

Would your quilt group like us to come to your venue and run one of our workshops there? Not a problem - we like a trip out! If you are fairly local to us, we'll load up the cars and come to you. Talk to Lorna and she'll let you know how much it will cost and when we are available.

This year we are off to Westerdale, Glaisdale and Coulby Newham - get the kettle on ladies!
